

Slot Bound

Release Date: January 2 , 2016

In a nation where the line between good and evil lies in the mystic haze, you can most definitely join the fight. But, are you on the right side? Are you on the winning side? Join and find out for yourself. This game has 5 winning lines which you can play both right to left and left to right. Also introducing the wining multiplier – this cool feature will multiply your first win after every non-win round up to 15 times!! Last but not least the Scatter bonus. By receiving 2 scatters, you will receive your bet back.
